UBU Tax Professionals Elite (“UBUTPE”), welcomes you as a potential Contractor or Associate with our Firm. In order for you to begin training on the Company Software, attached is your access “for practice purposes only.” As a Taxwise Administrator, I can view your activity within the software.

Only you can determine your destiny with UBUTPE. We wish you a successful 2014 Tax Year. If you decide to move forward, as we discussed, you will need to sign an Contractor/Associate Agreement.

I am enclosing your temporary login information to the Online Taxwise System that we will be using this year.

You must go to this link and type the following into the address bar (not search):

<https://www.taxwise.com> (2016 Taxwise Login)

It is very important that you keep this login to gain access to the Taxwise Software. If you decide not to become a Contractor/Associate with UBUTPE, access will be denied promptly to maintain security.
